Missouri School for the Deaf

Our Honorable Governor

Warren E. Hearnes
Governor

Executive Office
Jefferson City
Missouri

Once again it is my pleasure to extend greetings and best wishes to each student at the Missouri School for the Deaf, and to place in your yearbook a brief message on behalf of all Missourians.

Every individual has to overcome many obstacles in order to achieve success -- whether this is to be measured in terms of material rewards or personal happiness. Through persistence and hard work, you are preparing for a successful future which is very much within your reach.

I offer my personal best wishes for a happy and productive future.

Sincerely yours,

Warren E. Hearnes

ARTHUR L. MALLORY
Commissioner

Members of the Senior Class
Missouri School for the Deaf
Fulton, Missouri 65251

Dear Friends:

I appreciate this opportunity to congratulate each of you as you complete your program of studies and activities at the Missouri School for the Deaf. This school has been your home as well as your school for some time, and I know the mixed emotions you must feel as you move on to other adventures and challenges.

You have long awaited the day when you would be graduated, because this is a milestone to which all young people aspire. You must keep in mind, however, that this is only a milestone and not the end of an educational process which will continue throughout your lives. Some of you will go on to college, others will attend other schools, but all of you must insist that you continue to learn and grow intellectually and morally so that you can be useful and of service to your fellowman in the years ahead.

It has been a joy on my part to share in assisting you to reach this point in your development. I have watched with pleasure the various programs and have observed the progress of individual students. The real thrill will be in learning that you have succeeded, both in your occupational aspirations and in your living as a productive citizen in this free land.

I pray that we have been successful in providing educational opportunities which will make your aspirations a reality and that you will find true peace and happiness in your lifetime.

Sincerely yours,
Arthur L. Mallory
